\*\*\* SATOP clients referred to Clinical Intervention Services (CIP) and Youth Clinical Intervention Services (YCIP) are also quantified under Treatment Program Admissions. FY02 SATOP data is corrected from previous report.

\*\*\*\* In this table, client admission counts are unduplicated by client state identification number and facility code and represent the number of clients admitted to each facility.

Statewide, regional, county, and category totals may not match due to non-inclusive categories, incomplete data, and services to Missouri non-residents.
